

# Prophets Of Rage: Heart Afire Official Audio

Hip-Hop and rock supergroup Prophets Of Rage shared their new song “Heart Afire” today. The band released their first self-titled album last year after forming in 2016 and member Tom Morello told Rolling Stone:

*“We’re an elite task force of revolutionary musicians determined to confront this mountain of election year bullshit, and confront it head-on with Marshall stacks blazing.”*

“Heart Afire” thrashes on top but has funk on the bottom as Chuck and B-Real wonder out loud about truth and justice. Tim Commerford and Brad Wilk told [Kaaos TV](#) earlier this week the band has finished a 13-song second album but no release date was given.
