

# Childish Gambino Releases Summer Pack EP

Donald Glover's Childish Gambino persona surprised fans today with the release of the *Summer Pack* 2-song EP. "Feels Like Summer" is a breezy R&B song with plenty of Glover's falsetto. He uses his regular singing voice on "Summertime Magic" with the addition of a synthesizer and steel drum in the mix. Childish Gambino goes on tour at the end of the summer and tickets are on sale now.Â
