

The Internet Drops Another Single From Hive Mind: La Di Da

[youtube id="8-KUo16XAN0"]The Internet is getting closer to the July 20th release of [Hive Mind](#) and "La Di Da" is another single from the album. "La Di Da" has some of Jamiroquai's verve but settles into The Internet's recognizable sound led by Syd's voice. Steve Lacy recognizes his heartthrob status at the end of the song that is ideal for a road trip or a dancefloor.Â
