

Mary J. Blige: Only Love (Audio)

[youtube id="CKUfksQAM9M"]Mary J. Blige's "Only Love" surprised fans and reiterated her tireless work ethic all over again. The uptempo song uses First Choice's "Doctor Love" and the disco vibe takes over. It's not the first time Blige and Philadelphia's First Choice were together in the same sentence as she covered "Let No Man Put Asunder" on her *Mary* album. "Only Love" sounds like a celebration of a new romance and it is a change from *Strength Of A Woman* which was about her difficult divorce. According to her Instagram post, "Only Love" marks a new beginning.
