

Calvin Valentine: 911 Turbo

Producer Calvin Valentine shares “Turbo 911” from his forthcoming *Keep Summer Safe* album. The Los Angeles by way of Oregon native raps over his southern-styled production about his career. The song is on the playlist from his solo debut coming out on Mello Music Group September 14th. Past colleagues like Ryan Beatty and Illa J have appearances on the album. Valentine’s relatively new name is emerging after achieving previous credits with Nas, De La Soul, Bun B, Juicy J and more. He is now stepping out with his individual music that has soul music as its foundation.Â
