

Junglepussy Drops Video For All Of You Announces North American Tour

[youtube id="P7JpJCn7pko"]Junglepussy is blonde and sings in the Vashtie-directed video for "All Of You." She flirts with the camera and flaunts her lingerie in the mirror in what could easily be a tribute to Lil' Kim. "All Of You" is from her recently released *JP3* album. She will kick off a tour of North America in September that will take her through 18 cities. *Support The Girls*, in which she has her first film role, opens in theaters August 24th.
