

Watch: Knife Knights' KEXP Full Performance

[youtube id="hGvxMZ9eK1o"]Knife Knights is a new project led by Ishmael Butler and it comprises members of his musical family including Erik Blood, Marquetta Miller, Stas Thee Boss, OChotes and more. They perform a 20-minute set of music from their upcoming album in the KEXP studios and take a short break for an interview. Their atmospheric sound is expansive, soulful and moves like a cloud. Their [*Time Mirage*](#) debut comes out September 14th.Â
