

Brandon Coleman Has Video For All Around The World

[youtube id="1tkjTK0QyZE"]Brandon Coleman takes his chilled out funk to the beach for the "All Around The World" video. He plays the keyboards and sings for an appreciative group of women until he wakes up from his dream. "All Around The World" is the second single from his forthcoming *Resistance* debut on Flying Lotus' Brainfeeder label. Coleman's history as a supporting musician for Babyface, Childish Gambino, and others has given him the space to develop his own sound. The launch party for *Resistance* takes place September 13th at the Lodge Room in Los Angeles and [tickets](#) are available. He will introduce the music from *Resistance* with a 10-piece band.Â
