

Little Simz Has Lyric Video For 0ffence

[youtube id="8RT37z_0c0Y"]Little Simz returns after the release of her *Stillness In Wonderland* debut two years ago with a lyric video for new single "0ffence." Her words are all over the frame against a black and white photo she took of four young people. She is excited to share her new music and to let her fans know how happy she is to be living out her dream. The U.K. rapper discussed "0ffence" in an interview with [Zane Lowe](#).Â Â
