

GoldLink: Got Friends Feat. Miguel Official Video

[youtube id="s4r6Y235l4M"]GoldLink and Miguel made a fun video for "Got Friends" with an unusual twist to the storyline. The night starts in a diner with pretty women at the center of the plot and things end on a strange supernatural note. GoldLink released his debut album, *At What Cost* last year. He is on tour until the end of the year.
