

# Sa-Roc Releases Video For New Song Goddess Gang Announces European Tour

[youtube id="rxTBeiCwzCo"]Sa-Roc is back with a video for her new song "Goddess Gang" and a European Tour. The Tommy Nova-directed clip has women standing tall and proud despite their typical erasure from certain professions, history and religious roles. Sa-Roc goes against the usual ideas about women by posing as an auto mechanic and a deity. The Atlanta rapper will be heading to Europe October 17th for a 13-city tour.Â
