

SIA AMUN Gets Personal In Video For Single AF

[youtube id="2hRbA3AIqaw"]SIA Amun opens up about her personal life in her video debut for "Single AF." The Atlanta by Pasadena transplant is getting ready to release her sophomore project and "Single AF" which came out earlier this year is the first single from the new EP. AMUN has been behind the scenes working as a songwriter for people like Trey Songz and Mary J. Blige. She's also lent her vocals to Lady Gaga's "Teeth" while coming into her own voice. Her first EP was *The Blue Dream Project* released in 2017 and "Flowers" was the song that introduced her to R&B fans. AMUN's second EP will be available in time for Christmas.Â
