

# Watch: Benny Sings Performs Passionfruit

[youtube id="fp-jwvlhSug"]Benny Sings announces his signing to Stones Throw with a video of him performing Drake's "Passionfruit." The Amsterdam native who has been crafting self-directed pop since 2003 said this about his rendition, "Pop music has always been a goal of mine and I liked the idea of presenting this song in a more old-fashioned or conventional way." There is no news on a full-length release yet but fans can look forward to the next chapter in Sings' career as a member of the Stones Throw family.
