

# NASIR: The Film

[youtube id="tiv6sZBXJ\_w"]Mass Appeal premiered *NASIR: The Film* today as a companion piece to Nas's album of the same name. The seven songs are pulled together into a 16-minute film. Nas appears throughout the piece that has scenes of young Black men in the neighborhood living life with their families and friends and dealing with the police. Slick Rick has a quick cameo for his sampled part on "Cops Shot The Kid" that begins with a Richard Pryor monologue.Â
