

Big K.R.I.T. Releases *Thrice X* EP

Big K.R.I.T. releases his three-song *Thrice X* EP today. The new EP follows his 2017 double album *4eva Is A Mighty Long Time*. According to a press release, Big K.R.I.T. considers the EP a new start,â

â€œThrice is more like a new beginning. A way for me to reach out musically to my supporters and say thank you.â€ The EP in itself is all about growth sonically and letting go of my comfort zone.â€

The *Thrice X* EP is also a celebration of his status as an independent artist and the venture between his Multi-Alumni label and BMG.â
