[youtube id="QSVKoZKJ9Y8"]Illa J's *John Yancey* album is coming out next week and today he shares the video for "Enjoy The Ride." Illa J and three women skaters enjoy a sunny afternoon in Los Angeles as he shows off his mic skills while his co-stars rotate their wheels. *John Yancey* follows Illa J's 2017 album *HOME* and both are produced by Calvin Valentine. The previous album was all about his life in Detroit but *John Yancey* is centered on his time in California, relationships and the grief he still feels over the passing of his brother J.Dilla. Pre-order *John Yancey* before the November 30th date [here](#).
