

Swindle & Kojey Radical Share Video For Coming Home

[youtube id="aN477hDkvQQ"]British producer Swindle and fellow native Kojey Radical collaborated on "Coming Home" from Swindle's *No More Normal* album. Radical uses comedy in the clip that has an appearance from the Riot Jazz brass band before his rap. "Coming Home" is the second single from Swindle's album and the combination of Radical's words and the band is a departure from the usual British hip-hop. [No More Normal](#) comes out January 25th.Â
