

Thundercat Scheduled For Blue Note Residency In New York

Thundercat is preparing for a six-night residency at the Blue Note jazz club in New York City from February 12-17th. He will

have different guests nightly to join him onstage for the 14 shows. The bass player and songwriter is one of the artists featured on the [Brainfeeder X](#) compilation released at the end of 2018. [Tickets](#) for the Blue Note shows are on sale now.Â

A concert poster for Blue Note New York featuring Thundercat. The background is a dark, textured image of a person's face, possibly Thundercat, with a glowing blue and purple light effect. The text is white and yellow. At the top is the Blue Note logo with a musical note icon and 'NEW YORK' below it. The main title 'THUNDERCAT' is in large, bold, white letters. Below it, 'SPECIAL GUESTS TO BE ANNOUNCED' is written in smaller white letters. The dates 'FEBRUARY 12 - 17' are in large, bold, yellow letters. At the bottom, the schedule '6 NIGHTS, 14 SHOWS' and 'SETS AT 8PM, 10:30PM & LATE NIGHT 12:30AM (2/15 & 16)' is written in white.
