

The Black Eyed Peas Get Ready Official Video

[youtube id="1r8M_bYSw98"] The Black Eyed Peas celebrate their Masters Of The Sun Vol. 1 album with a video for "Get Ready." The group has kept the visuals coming and the energy high around their current album. NOMSG directed the group members who defy gravity for a while and then return to earth. They are touring the U.S. and Europe this summer and [tickets](#) are on sale now.Â
