

Open Mike Eagle & Danny Brown Are Unfiltered In First Music Video From The New Negroes

[youtube id="5oYxYtelB0U"]Open Mike Eagle and Danny Brown are "Unfiltered" in the first music video from *The New Negroes With Baron Vaughn and Open Mike Eagle*. Mike is stuck in a cubicle all day feeling frustration until his alter ego played by Danny Brown emerges from his body to give everybody a piece of his mind. The song is a first look inside the show's political awareness and the type of topics they will address in the series that features stand-up comedy and music. Their inspiration from Alain Locke's New Negro of the Harlem Renaissance will take form as a way for Black Americans to tell their story with introspective comedy. *The New Negroes With Baron Vaughn and Open Mike Eagle* will debut this Friday, April 19th at 11 PM ET on Comedy Central.Â
