

Listen: DJ Yoda-Home Cooking Album Stream

DJ Yoda's Home Cooking is a combination of hip-hop, jazz and soul. The turntablist prioritized live playing for this collection and had the benefit of jazz musicians Theon Goss (tuba), Nubya Garcia (saxophone) and Henry Wu on keyboards. Golden Era rappers EdoG and the Jungle Brothers are guests along with vocalists Omar, Joel Culpepper and Eva Lazarus. The London native is going on a local Home Cooking tour this month.
