

Watch: Jaz Ellington Debuts Video For Don't Run

[youtube id="NTSdV65xFjc"]Jaz Ellington shares the video for his first single "Don't Run." He appears in the background of the clip as a couple struggles with their relationship. The British singer released his *Enter The Nomad* EP last year and received the opportunity to work on an exclusive project for NASA with Will.i.am. He had a career breakthrough in 2012 when he sang John Legend's "Ordinary People" on *The Voice UK*. The video for "Don't Run" is his first and it comes after years of working as a vocal arranger and growing up in a musical family.Â
