

Tensei & Georgia Anne Muldrow Walk It Out

Tensei's [Constellate](#) album came out at the beginning of the year and now the Chicago production duo has connected with Georgia Anne Muldrow for the song "Walk It Out." Midas Well and Chris Kramer ensconce Muldrow's plea for emotional release in a fabric of jazz and hip-hop. Musicians Greg Spero, Brandon Meeks and Kafele provide the live instrumentation that lifts Muldrow's words. Tensei has plans to release more music this summer and tour the upcoming collaboration record with A. Billi Free at the end of August.
