

Little Simz Debuts Video For 101FM

[youtube id="Qqmv4daiBZg"]Little Simz's digs into the past for her "101FM" video which was directed by Jeremy Cole and Marcus Grey. The early days of her rapping in her room and recording in makeshift studios is reenacted in the visual. Little Simz is currently touring the United States. The rapper will be making her acting debut this fall on the Netflix British drug dealer drama Topboy. She will play one of the show's lead in the third season which is executive-produced by Drake. Her [Grey Area](#) album is out now.Â
