

The Prince Estate Releases New Video For Manic Monday Made Famous By The Bangles

Today Prince's *Originals* album is officially available and his estate in partnership with Warner Brothers releases a new video for "Manic Monday." *Originals* is a compilation of Prince songs that became famous with other performers. "Manic Monday" was a hit for The Bangles in 1986 after Prince recorded the song in 1984 as a duet for the *Apollonia 6* album. The new video features unseen footage of Prince in rehearsal mode and is available exclusively through [Apple Music](#).^Â
