

Jidenna Is 85 To Africa & Worth The Wait Featuring Seun Kutí

[youtube id="DdeKOG22gNU"]Jidenna returns with *85 To Africa* after debuting with *The Chief* in 2017. He uses the album to share his life whereabouts from the last two years. There is plenty of Afro-diasporic cultural pride and his consistent message about resisting white supremacy. The album has appearances from Seun Kutí, GoldLink, St. Beauty, Mereba and Mr. Eazi. The video for "Worth The Wait" is ready for viewing and it's a party celebrating his autonomy as a proud man of the diaspora. Jidenna's North America tour will start in October.Â
