

The Potatohead People Link With Singer Bunny For Single Life

[youtube id="V41ej-X_p2g"]The Potatohead People come back with their latest song "Single Life." The production duo collaborated with fellow Canadian Bunny who is the featured singer. Their memories of R&B from the '90s guides ["Single Life."](#) The video is a close-knit gathering of the three of them in a simulated living room and separate moments of Bunny in different parts of the house. Bunny's nonchalance about answering the phone proves that being alone is not a doomed existence.
