

Watch: A. Billi Free Perform Halogen In Official Video

[youtube id="MVY_L12V4TY"] A. Billi Free's solo album [I Luma](#), recently arrived and now she has a video for "Halogen." In the visual, she presents like a singer, tarot card reader and a magician all at the same time. At one point the scenery becomes a basement party. The video is a fit for Free's sense of discovery which is expressed in her album's delicate fusion of R&B and electronic sounds. Watch "Halogen" and check out *I Luma*.
