

Listen: Marcus Machado-DIG

[youtube id="eqDNktjsF2E"]

Marcus Machado starts the fall season with his latest single the instrumental funk jam "DIG." The guitar player creates a groove that sounds like the last days of summer and a final ride in a convertible. Machado has been busy and in addition to his own music he has upcoming features with Lalah Hathaway, Pete Rock and Robert Glasper. The Jimi Hendrix devotee also made a video detailing the making of "DIG."
