

# KAYTRANADA Announces New Album Shares 10% Featuring Kali Uchis

KAYTRANADA by Liam Macrae

KAYTRANADA has made his way back to a new full-length album he calls *BUBBA* coming out this Friday (13th). He shares “10%” featuring Kali Uchis and it’s a dreamy step back in time thanks to his sample of “Love Thang” by First Choice and a move forward with a new voice. His proclivity for classic dance music is just one thread of his sound that will be assisted by VanJess, Masego, Tinashe, Pharrell Williams, Estelle, Charlotte Day Wilson and more.Â
