Megan Thee Stallion's highly anticipated SUGA EP came out today along with the video for "B.I.T.C.H." The nine-song project has production from Megan herself, Timbaland, Neptunes, J-White, Tommy Brown and more. There are guest appearances from Kehlani and Gunna. The EP is named after her new alter-ego SUGA, which follows her previous ones of Hot Girl Meg from "Fever" and Tina Snow from "Tina Snow." In her video for "B.I.T.C.H." Tina Snow gives advice to Suga on how to be "That bitch."
