Liv.e is an artist from Dallas based in Los Angeles. Her quirky style is obviously influenced by another Dallas native Erykah Badu. Bits of jazz, R&B and hip-hop form her palette. Today she reveals the lyric video for two new songs

“Bout Them Pipedreams” and “Lessons From My Mistakes...But I Lost Your Number.” She is a shadow against a purple backdrop as she recites her abstract lyrics. In March, she shared more of her artistry during her [Inside With Liv.e](#) session and performed songs from her upcoming album.Â
