

Freddie Gibbs & Madlib Share Behind The Scenes Of The Diamond Mine Sessions

[youtube id="zPPHvvaHc0c"]Freddie Gibbs and Madlib talk about their Diamond Mine Sessions with Amazon. They performed live versions of songs from their Bandana album with the El Michels Affair band at a recording studio in Queens, New York. Gibbs talks about how Jay-Z's Unplugged inspired him for the sessions and his career overall. They also reveal the spontaneous nature of their creative process and how nothing is written down. The music is available on [Amazon](#).Â
