

Body Count Releases Quarantine Video For Point The Finger Feat. Riley Gale

Body Count is Ice-T (vocals), Ernie C (guitar, backing vocals), Juan Garcia (guitar, backing vocals), Vincent Price (bass, backing vocals), Ill Will (drums), Sean E Sean (samples, backing vocals)

Ice-T's Body Count band released a new album, [Carnivore](#) in March. But thanks to the pandemic they can't tour like everyone else. Ice-T explains at the beginning of the video that he had everyone film themselves individually and all the clips were edited together. "Point The Finger" featuring Riley Gale of Power Trip is about cops who kill innocent people and get away with it.Â
