

# Megan Thee Stallion Reveals Love Of Anime In Animated 3D Video For Savage

[youtube id="lkQ6uHr0TQE"]Megan Thee Stallion unveils an animated video for her viral single "Savage." The video follows her collaboration with Beyoncé on the remix which has become one of the most revered of the year so far. The song is also behind the popular TikTok dance challenge. Megan's love of anime is evidenced in the clip that finds a group of women assassins clearing out an enemy. The Houston rapper will be performing at the Good Morning America concert series this summer, participating as a judge for HBO Max's underground ball-inspired Legendary show and becoming a partner for the Savage X Fenty brand.
