

Watch: Meshell Ndegeocello Reimagine Prince At Paisley Park

[youtube id="GBIE1tjvbdo"] Meshell Ndegecello performed at Paisley Park's Musicology showcase back in February and now the show is available online until Friday (May 29th). The Prince Reimagined event was not the first time Ndegecello performed his material as she covered "Sometimes It Snows In April" on her *Comet Come To Me* album. She has also performed a show of Prince songs in the past. Watch her and the band go through "When Doves Cry" "Let's Pretend We're Married" "Strange Relationship" and more.
