

Nick Hakim Performs QADIR On The Late Show With Stephen Colbert

Nick Hakim performs “QADIR” on *The Late Show With Stephen Colbert*. Hakim’s home performance had a set designed like a New York City corner complete with bodega cats. The band members were floating in space inside circles. “QADIR” is from his recently released sophomore album, [WILL THIS MAKE ME GOOD](#). The Colbert appearance comes after a collaboration with Lance Skiiiwalker and his NPR Tiny Desk Concert. [youtube id="CWgs3rR7iYI"]
