Suzi Analogue's *#ZONEZBest 16 Challenges* gets an official release one year after she initiated the call. Analogue made the beat last year and invited a plethora of rappers to share their best 16 bars. The exchange is now available for permanent listening.Â Blu, Stas THEE Boss, SIDEWALK KAL and more added their verses to the tipsy production. Analogue starts the challenge with her own bars and her guests complete the mission.
