

Listen: Rejjie Snow-Mirrors Feat. Snoh Aalegra & Cam O'bi

Rejjie Snow's "Mirrors" is a piece of his biography as he raps about his past catching rabbits and his present relationship. Snoh Aalegra and frequent collaborator Cam O'bi are featured on the carefree single. The new song comes not long after Snow recently released his "Cookie Chips" song with MF Doom and the video. "Mirrors" begs for a proper video but for now there is a visualizer.Â
