

# Junglepussy: JP4 Album Stream

Junglepussy is back with *JP4* which is available digitally and will see the physical release on vinyl in March. The Brooklyn rapper is still all about self-love, relationship demands and mocking insecure people. Gangsta Boo and Ian Isiah make guest appearances and there is production from Dave Sitek and Nick Hook. She says the album's title is about the symbolism of the number four as the sign of building a foundation. This album also reflects a new level of comfort in her artistry according to her statement:Â

*â€œFrom the genesis of Junglepussy, I struggled with my sound, because what I was doing at the time, I knew it wasn't really, really, really what I wanted to do. But I just didn't know how to get there. JP4 really sounds like and feels like I got there.â€* Â

*JP4* is available on the usual [platforms](#).Â
