

Megan Thee Stallion's Good News Debut

Megan Thee Stallion's *Good News* debut album is out now. She chose the title as a way to remind everyone that despite the challenges of 2020 each person has the ability to make their own good news. Sza, Beyonce and Big Sean are among the guest appearances on the album. The video for "Body" also came out and Megan is joined by Taraji P. Henson, Blac Chyna, Jordan Woods, Daren Kyle, Malibu Mitch, Bernice Bugos and Asian Doll. Megan will be performing at the American Music Awards this Sunday which will be hosted by Henson.Â Â
