

# Alicia Keys' ALICIA Gets Deluxe Edition

Alicia Keys' *ALICIA* has a deluxe edition with new music, a remix and an alternate performance of one of the songs. There is the "A Beautiful Noise" collaboration with Brandi Carlile, a different version of "Wasted Energy" with Kaash Paige and Diamond Platinumz and the COLORS studio version of "Three Hour Drive" featuring SIR. The album which originally came out in September has appearances from Miguel, Jill Scott, Khalid, Tierra Whack, Snoh Aalegra, Sampha and Khalid is also available in [vinyl](#) form. Fans can also experience *ALICIA* via Sony's 360 Reality Audio on the Amazon Music HD, Tidal HiFi and Deezer HiFi streaming services.Â

Keys' seventh studio album is the counterpart to her book *More Myself: A Journey* and is the first title on Oprah's brand with Flatiron Books.Â

You can catch Keys' live performance on Heart & Soul and the SiriusXM app on December 19th. The performance will also air

on Sirius XM's The Pulse on Sunday, December 20th and Monday, December 21st. She will perform selections from ALICIA and get into the holiday mood with "Ave Maria."

She will end the year with a performance on the [BBC One's](#) New Year's Eve countdown called Alicia Keys Rocks New Year's Eve which will air in the UK.
