

Joyce Wrice Debut Album Coming New Song With Freddie Gibbs Out Today

Singer Joyce Wrice will see the release of her debut album *Overgrown* on March 19th. Today she shares the single “On One” with Freddie Gibbs ahead of the album. Kaytranada, Masego, Lucky Daye and Devin Morrison all have appearances on *Overgrown*. The Los Angeles R&B singer released her first EP, *Stay Around* in 2016 and her *Rocket Science* and *Good* mini EPs followed. “On One” comes out two weeks after her [“Falling In Love”](#) duet with Lucky Daye.Â
