

# Pink Siifu Releases GUMBO'!

Musical polyglot Pink Siifu releases his *GUMBO'!* album today. The lo-fi trap and soul excursion has guest appearances from Nick Hakim, Liv.e, Georgia Anne Muldrow and more. Earlier this year the deluxe version of his *NEGRO* debut was released. The punk energy of *NEGRO* dissipates on *GUMBO'!* and the condensed rhythms unroll in a funk form. Videos for [“Bussin’ \(Cold\)”](#) and “lng hair dnt care” have already been released and today the visual for “Roscoe’!” was unveiled. The fearless cool of *GUMBO'!* is marking summer playlists and introducing Pink Siifu’s unpredictable blueprint to new ears.Â
