

Bruised Soundtrack Feat. Cardi B, Rapsody, H.E.R., City Girls & More

Bruised is the new film about an aging MMA fighter out for redemption starring Halle Berry. The movie is also Berry's directorial debut and she executive produced the soundtrack with Cardi B. The City Girls, H.E.R. and Rapsody are a few of the women artists on the tracklisting. The movie is streaming on Netflix and playing in theaters. Fans and critics alike are already praising Berry's performance in front of and behind the camera.Â
