

# PJ Morton: Watch The Sun Album Stream

PJ Morton's eighth solo album *Watch The Sun* came out last Friday. The itinerant soul man calls this album his most personal as he opened up and shared aspects of his private life. Morton has company from Stevie Wonder, Nas, Jill Scott, El DeBarge, Alex Isley and more on the album released on his Morton Records. He has released a steady stream of videos to accompany the project including "Lil' Too Heavy," "The Better Benediction" and "Be Like Water." [Tickets](#) for his 35-city Watch The Sun Tour are on sale now.
