

Media Questions Of The Week

Bruce Springsteen opptreter på Ullevaal stadion 29. juni 2016.

Will the outrage over [concert costs](#) from some Bruce Springsteen fans change anything about dynamic ticket pricing that allows the number to go up if the demand is high and down if it is not?

Can self-proclaimed audiophiles really tell the difference between digital and analog sounds since it has been revealed that [MoFi Records](#) was dishonest about using analog master files for their reissues of artists like Tony Bennett, Carole King and Santana?
