

Trevor Noah To Host Black Theater Night At A Strange Loop On November 29th

Trevor Noah is hosting a special Black Theater Night at a special performance of *A Strange Loop* on Tuesday, November 29th at 7 PM ET. The talk show host and author will moderate a discussion after the performance with writer Michael R. Jackson, choreographer Raja Feather Kelly and cast members from *A Strange Loop*. Noah is a big fan of the show and said, "I was blown away the first time I saw Michael R. Jackson's *A Strange Loop* and have returned a few times since. It is one of the funniest and most poignant shows I've ever seen. I'm excited to host this special performance and to get to talk to

the company about this brilliant and vital piece of theatre.” The event is a way to welcome Black theatergoers but all are welcome. There are eight weeks left to see the Tony-award-winning musical which has its last performance on January 15, 2023, at the Lyceum Theater. Tickets for Tuesday’s show are available www.telecharge.com (212-947-8844) or at the Lyceum Box Office. Special group rates are available at <https://www.broadwayinbound.com/shows/a-strange-loop>.
