

Pink Siifu & Ahwlee As B-Cool-Aid Release New Double Single

Pink Siifu and producer Ahwlee return as B. Cool-Aid. Their double single is called *bonded* and “C00” is co-produced by Kiefe and “usedtoo” features Jay Feeniks. The jazzy rap-layered soul has psychedelic overtones and it is their first time collaborating since *Syrup* in 2019. The current music will be on their forthcoming 2023 album. The duo has maintained their NTS radio show BRWN which is focused on experimental hip-hop.
