Big Joanie is going on a tour of North America in support of their 2022 <u>Back Home</u> album. The Black woman trio punk band will perform in more than 10 American cities when the tour starts in March. Stephanie Phillips, Estella Adeyeri and Chardine Taylor-Stone have been making music as Big Joanie from their base in London since 2013. Their haunting sophomore album was a critical success and to give a preview of the tour they have released the live performance video filmed at Hermitage Works Studios for "Cactus Tree."
